

ACTIVITIES – NSS

UPDATE THE PAGE AS THE PAGE

There are two separate NSS Units in College, Unit-I for boys and Unit-II for Girls

- **Gangadharpur Khanrapara**, a neighboring village has been adopted by both the NSS Units of the college.
- After the adoption of this area, the NSS Units of the College have bonded with the villagers and given their best to uplift them socially as well as educationally. Right from working for their hygienic awareness to making them economically self sufficient, our students have changed the face of the place.
- Not only has the local community benefited, the students too have experienced the joy that comes from selfless service. In order to bring smiles on the faces of deprived people, students visit the local Old age Home, Orphanage, on important festivals for distribution of gifts among the inmates.
- The College has the fine practice of raising funds and collecting other valuable materials to help the victims of natural calamities.
- Community Orientation activities are reflected through Blood Donation Camps, Camps for awareness of Thalassemia, AIDS Awareness Programmes, and Nutrition Awareness Programmes.
- Annual Blood Donation Camps, Health Check Up Programmes, Clean India Campaigns are organised by the NSS Unit
