Tender Notice: CCTV System Repair

Tender in sealed cover are hereby invited by the undersigned for the following work from competent vendor/bidder with at least two years of experience of the tendered work. A drop box has been provided in the office room (New Campus) where sealed quotations should be dropped within office hours (except Sunday/holidays).

Scope of Work:

1. Thorough inspection of the existing CCTV infrastructure.
2. Identification and troubleshooting of malfunctioning components.
3. Replacement or repair of faulty cameras, cables, and other related equipment.
4. Testing and calibration of the entire CCTV system.
5. Submission of a detailed report on the completed repairs and any recommendations for future maintenance.

Qualification Criteria:

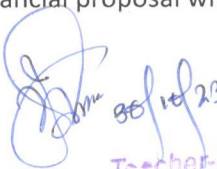

1. Proven experience in CCTV system repairs and maintenance.
2. Knowledge of the latest surveillance technologies.
3. Ability to complete the project within the specified timeframe.

Submission Deadline: 20th November 2023

Submission Requirements:

Interested parties should submit their detailed tenders, including:

1. Company profile.
2. Relevant experience and references.
3. Proposed methodology for the repairs.
4. Financial proposal with a breakdown of costs.
